This is not a substitution for the Catalog of Studies. Core areas must be completed as outlined in Catalog of Studies. To check transfer equivalency, refer to the Registrar's Office Transfer Equivalency Guide. More information can be found on the Fulbright Transfer Advising Center website.

Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

† Meets 30/40-hour advanced credit hour requirement. See Graduation Requirements in the Catalog of Studies.

‡ Meets 24-hour rule (24 hours of 3000-4000 level courses in Fulbright College), in addition to meeting the 30/40-hour rule. See Degree Completion Program Policy in the Catalog of Studies.

*Placement in the Math sequence is based on competency demonstrated by ACT/SAT exams or by taking the MPT at the UA. Students who can begin the Math sequence at higher levels can replace the pre-requisite MATH sequence courses with General Electives.

** Placement in the Language sequence is based on competency. Students who can begin the language sequence at higher levels can replace the pre-requisite language sequence courses with General Electives.
