FULBRIGHT COLLEGE FACULTY FELLOWSHIPS
2016/17

One Cambridge Faculty Fellowship will be awarded for the 2016/17 academic year for Wolfson College. Competition for the Wolfson College Fellowship is open to all full-time, tenured or tenure-track Fulbright College faculty members, and the recipient will spend the academic year in residence at Wolfson College, Cambridge University. The fellow will receive their full academic year salary from the University of Arkansas and up to $1,500 for shipping and travel costs from Fulbright College.

The fellowship is intended to support the research or creative activity of Fulbright College faculty. There are no length-of-service requirements, and selection for the fellowship will not affect eligibility for Off-Campus Duty assignments. As in the case of Off-Campus Duty Assignments, however, the other faculty and staff of a department are expected to perform the usual duties of a fellowship recipient.

Faculty should submit proposals for this Cambridge Fellowship to their departmental chairs for evaluation. The chair will provide an endorsement memorandum that includes an explanation of how the applicant’s usual duties will be performed in his or her absence.

The chair will forward an original and an electronic copy of the memorandum and proposal to Sharon McFarland smcfarla@uark.edu, by 4:30 p.m. on Friday, November 6, 2015.

The following guidelines shall be used in preparing proposals for the Wolfson Faculty Fellowship:

1. Include a cover page with name and rank of applicant, applicant’s department, and title of proposal.

2. Provide a general description of the project as well as the specific program of research or creative activity to be undertaken during the fellowship period. The narrative, not to exceed six, double-spaced pages, should be written for an interdisciplinary committee.

3. Append a brief bibliography of materials and publications relative to the project.

4. Enclose a current, complete professional résumé.

Within sixty days of returning from Cambridge, the faculty member must submit a brief (two-page) written report of her or his activities and accomplishments during the assignment to the departmental chair and dean of Fulbright College.

Implicit in the acceptance of a Cambridge Faculty Fellowship is the recipient’s agreement to return to the University for at least one year following the end of the fellowship.

Please note: female faculty members who have an interest in a Cambridge Faculty Fellowship for Lucy Cavendish College should contact Dean Lynda Coon llcoon@uark.edu (who will be advising while transitioning to Honors College) to discuss the guidelines and competitive process recently implemented by Lucy Cavendish College.
