This is not a substitution for the Catalog of Studies. Core areas must be completed as outlined in Catalog of Studies. To check transfer equivalency, refer to the Registrar’s Office Transfer Equivalency Guide. More information can be found on the Fulbright Transfer Advising Center website.

Core requirement hours may vary by individual, based on placement and previous credit granted. Once all core requirements are met, students may substitute a three-hour (or more) general elective in place of a core area.

*Placement in the Math sequence is based on competency demonstrated by ACT/SAT exams or by taking the MPT at the UA. Students who can begin the Math sequence at higher levels can replace the prerequisite MATH sequence courses with General Electives.

**Placement in the Language sequence is based on competency. Students who can begin the language sequence at higher levels can replace the prerequisite language sequence courses with General Electives.

***Students may elect to take both ECON 2023 and ECON 2013 instead of ECON 2143. ECON 2023 and ECON 2013 will also count for the social science core.

† Meets 30/40-hour advanced credit hour requirements. See Graduation Requirements in the Catalog of Studies. ‡ Meets 24-hour rule (24 hours of 3000-4000 level courses in Fulbright College), in addition to meeting the 30/40-hour rules. See Degree Completion Program Policy in the Catalog of Studies.
Select five (5) courses if taking ECON 2013/ECON 2023 or six (6) courses if taking ECON 2143. No more than three (3) courses can be from any one department. At least three (3) courses must be at the 3000- or 4000-level, at least one (1) of which must be at the 4000-level. One course from the selected track must be applicable to the selected area studies focus. (See the specified area studies program in the catalog for a complete list of courses which are considered applicable to the area studies focus. Other courses may be approved with consent of the International Studies program chair or designee.)

Area Studies Requirement:: Select one (1) area studies focus, and complete the two required courses for that area.

Graduation Requirements Checklist

In addition to the specific course requirements for your degree plan and your major, be aware that there are general graduation requirements that every student in Fulbright College must complete. University graduation requirements are outlined in the Catalog of Studies, as are the College requirements. Some of that information is highlighted here. Refer to the Catalog of Studies when necessary.

1. **Minimum Total Semester Hour Requirement – 120 graduation hours**

2. **Residency Requirement**
   
a) **30 Hour Rule (University Requirement)**
   
   To ensure the opportunity to engage with faculty and peers in their area of study at the University of Arkansas (UA), Fayetteville, students must fulfill the UA Enrollment Requirement (formerly the "Residence Requirement"):
   
   1. Earn a minimum of 30 semester hours at the University of Arkansas, Fayetteville campus—this includes UA faculty-led study abroad classes, online/on-campus classes, and Global Campus courses; and all other courses paid towards Fayetteville campus tuition and fees;
   2. These 30 semester hours are to be upper-division semester hours required for the completion of a degree program;
   3. Additional hours in residence can be required for completing a minor;
   4. Hours earned in another school or college at UA (Fayetteville) may be used to satisfy this requirement—with appeal of appropriate faculty curriculum committee;
   5. Appeals to the standards identified in this policy should be made to the Academic Standards Committee.

   b) **24 Hour Rule (College Requirement)**
   
   A student graduating from Fulbright College must have completed at least 24 hours of 3000 and 4000 level courses from departments in Fulbright College.

3. **40 Hour Rule**

   Students must present for degree credit at least 40 hours of work in courses numbered 3000 and above. Included in this 40 hours can be courses numbered 2000 if each has a specific course designated as a prerequisite. The following courses are excluded: MILS 2001 and 2011, AERO 2001 and 2011, and foreign language courses numbered 2003 and 2013. These courses may be taken from other colleges or universities. However, do not forget the college residency requirement, specifically the **24 HOUR RULE**.

4. **Grade-Point Average**

   Students graduating from Fulbright College must have a minimum cumulative GPA of 2.00.

5. **35% Online Rule**

   Any student pursuing an on-campus (face-to-face) undergraduate degree from the University of Arkansas may take up to 35 percent, of the total credit hours required to complete the degree, of regular online (semester/summer) and self-paced online (correspondence) courses for degree credit.

6. **50% Rule**

   A student graduating with a major or a minor from Fulbright College must have completed a minimum of 50 percent of degree credit work within the Fulbright College major or within the Fulbright College minor at the University of Arkansas through courses completed at the University of Arkansas, Fayetteville campus as defined in the University Residency Requirement.

7. **Writing Requirement**

   Students graduating from Fulbright College must write a research/analytical paper for at least one upper division course in his/her major. Satisfactory completion of an honors project or a senior thesis may fulfill this requirement. Each department has determined its own procedures for certifying completion of this requirement. Questions should be referred to the departmental chairperson.
