

<p style="text-align: center;"><b>Calculus I – Math 2554</b> <b>Course Syllabus – Summer 2015</b></p>
---

**Textbook:** *Calculus, Early Transcendentals*, Briggs, Cochran, 2011 (Recommended/not required)

**Textbook and Software:** The homework for this course will be done on the computer, using the MyLabsPlus (MLP) software. The MLP software is required, and an electronic version of the textbook is included with the MLP software.

**Software:** The MLP Student Access Kit is required for this course. If you have taken Calculus I at the University of Arkansas in the previous year, then you should not need to purchase a new access kit. To log in to MLP,

1. Go to the website <http://uark.bb.mylabsplus.com>;
2. Click the “Forgot your password” link;
3. Enter the first part of your uark email (without the “@uark.edu” part) as the “User ID”;
4. Check your email for a message with the subject “Password Reset Information” from [PasswordReset@ResetCredentials.com](mailto:PasswordReset@ResetCredentials.com) and follow the directions in the email.

**Problems with the Software:** If you cannot access your MLP course:

- Check your browser- click on SUPPORT, then MYMATHLAB BROWSER CHECK near the top of the page
- Delete your cookies
- Try a different browser (Firefox, Chrome, etc.)
- Try a different computer (MRTC study lab or university lab)
- Contact Pearson Tech Support by clicking on the TECH SUPPORT link at the top of the page
- Call Pearson Helpline at 888-883-1299

**Class and Homework:** You are expected to attend every class. If you miss class, it is your responsibility to check the due dates for any online course work that is due in addition to anything your instructor may have assigned.

All homework assignments are done on the computer. You may work on each assignment to improve your grade until it is due by clicking on the HOMEWORK tab found on the opening page of the course. After the assignment is due, the computer will not allow you access to improve your score, but you may review your homework at anytime without changing the score by clicking on the GRADEBOOK tab. Homework will not be accepted late for credit.

**Quizzes:** There will be twelve in-class quizzes throughout the summer semester. There are no make-ups for missed in-class quizzes.

**Tests:** There will be four in-class exams on the following dates.

- Exam 1: Friday, June 5
- Midterm: Friday, June 19
- Exam 3: Thursday, July 2
- Final: Thursday, July 16

**Grade:**

Homework	100 points
In-class Quizzes	100 points
In-class Exams (2 at 125 points each)	250 points
Midterm	175 points
Final	175 points
<b>Total</b>	<b>800 points</b>

Letter grades will typically follow a 90-80-70-60 scale, although the instructor reserves the right to revise downward if necessary.

**Calculator Policy:** Graphing calculators will not be allowed on any in-class quizzes or exams. Scientific calculators, such as the TI-30X IIS or TI-30XA are permitted on in-class assignments.

**Academic Integrity:** Each student at the University of Arkansas is expected to be familiar with and adhere to the University's Academic Integrity Policy, which can be found at <http://provost.uark.edu>. Students with any questions regarding how these policies apply to course assignments should contact their instructor.

**Announcements:** You are expected to regularly check your UA email and the announcements in MLP for information relating to this class.

**Note:** We reserve the right to make changes to the course syllabus during the summer session. If changes are made, you will be notified in class or via your UA email. It is your responsibility to check your email and attend class regularly.
