SBSCH Reservation Guidelines for FACULTY:

Faculty may sign up for faculty or guest recitals at any time during the year. However, the following times must be avoided for scheduling concerts until after students are allowed the opportunity to schedule degree recitals: the 2nd week of November to the end of the Fall Semester and the 1st day of April through the end of the Spring Semester. Exceptions must be requested from the chair of the music department.

Recitals and concerts have priority over all scheduled rehearsals under all circumstances. Rehearsals may be scheduled during recital and concert times, typically from 7:30 PM until 9:30 PM, with the understanding that a subsequent request for a recital or concert will be granted without the permission of the person scheduling the rehearsal.
