Piano Major Practice Room Policies
University of Arkansas Department of Music

1. You may keep accompaniment music scores/books in the practice room. However, all other personal items must be stored in your locker.
2. Keep the piano clear of ALL items, at all times. Do not leave anything on the piano when you finish rehearsing. Store music and scores on the tray/shelf provided.
3. Do not remove the “music desk” or adjust the piano lid. Altering this equipment can result in costly repairs and unneeded tunings.
4. Keep the practice room clean.
5. No food or drink in the practice room at any time.
6. To keep the keyboard clean, wash your hands with soap and water before practicing.
7. Be courteous. These rooms are reserved for ALL piano majors. These rooms are not personal offices, studios, or hangouts.
8. Immediately report any issues with equipment, the room, or reservations with the music office staff in MB 201.

The music department counts on your cooperation to keep the pianos and rehearsal space in good working order. Failure to abide by these policies may result in the revocation of your privileges.
