Degree Breakdown:

University Core + Major Requirements + General Electives = 120 minimum hours

University Core: (Typically 35 hours): Often referred to as 'general education' courses, these options are listed on the first page of this work sheet

Major Requirements: (Hours Vary): These are the courses specifically required by the department to complete a degree and are listed above.

General Electives: (Varies by major): These courses make up the difference to reach 120 total hours beyond University Core and Major Requirements. These courses must be 1000 level or higher (in some cases, 3000 level or higher), courses not already required, and courses you do not have previous credit for. These courses are great to use for other majors and minors.

Fulbright Writing Requirement: Each Fulbright graduate must complete a writing requirement to graduate.

GPA: Every student must have at least a 2.00 cumulative grade point average to be eligible to graduate from the University of Arkansas.

Graduation Hour Rules

24-, 30-, and 40-Hour Rules: Also known as residency requirements, these hours can come from major/minors. In some cases, courses may overlap in each of the hour rules below.

- ***24-Hour Rule:*** Students must complete at least 24 hours of 3000+ level classes in Fulbright College.
- ***30-Hour Rule:*** Students must complete at least 30 hours of 3000+ level classes at the University of Arkansas. This can include courses taken for the 24-hour rule.
- ***40-Hour Rule:*** Students must complete at least 40 hours of 3000+ level classes in total, including transfer courses. Courses that are 2000 level and have a pre-requisite may also count for this rule. This can include courses taken for the 24-hour and 30-hour rules.
