Bolded courses indicate those which may also be required in the major. Courses listed under University Core Requirements cannot be used more than once within the University Core Requirements section.

1) No degree credit is awarded for the following: A world language course at the Elementary (1003) level if the student is continuing with a language taken in high school or did not complete two years of a world language in high school; Remedial courses that begin with a ‘0’ in the course number, e.g. MATH 0003; And any duplicate coursework completed where credit hours are counted more than once.

2) Students must earn at least 40 degree credit hours in courses numbered 3000 or higher. Included in these 40 hours can be courses numbered 2000 or higher if each course has a specific course designation as a prerequisite. These courses may be taken from other colleges or universities.

3) Students must earn at least 30 degree credit hours numbered 3000 or higher at the University of Arkansas - Fayetteville campus. Students electing the last route as part of PHYS 4991 or any physics or astronomy course of the honors program, or by means of a paper submitted to satisfy honors thesis requirements, or by means of a senior thesis (PHYS 498V), an honors thesis submitted in fulfillment of the requirements satisfied by means of a senior thesis (PHYS 498V), an honors thesis submitted in fulfillment of the requirements satisfied by means of a senior thesis (PHYS 498V), or any physics or astronomy course numbered 3000 or higher. Students electing the last route must obtain approval of the instructor during the first three weeks of the semester.

4) Required General Electives (hours vary; discuss with your advisor)

For students admitted Fall 2013 - Summer 2014
