Requirements for a Minor in Historic Preservation (18 hours):

- ARCH 1003** Architecture Lecture
or **ARCH 1212** Design Thinking I: Foundations in Technology and **ARCH 1222** Design Thinking II: Foundations in History
or equivalent class in architecture history
- GEOG 4063** Urban Geography
or **LARC 3413** History of Landscape Architecture
or equivalent class in urban studies
- ANTH 4443** Cultural Resource Management I
or equivalent class in cultural resources
- GEOL 1133** Environmental Geology
or equivalent class in the human and physical aspects of the Earth
- GEOG 3023** Intro to Cartography
or equivalent class in spatial representation and visualization
- GEOG 3033 Building Materials field Studies and Laboratory** is the required field and laboratory-based capstone course that will require two weekends (Saturday and Sunday) for completion. It is suggested that this class be taken last in the program series.

One semester participation in the University of Arkansas' Rome Program will substitute for six credits from class sections "Architectural History" and "Urban Studies" listed above. A supplemental program internship is suggested in addition to the classes required if the student's career path is in Historic Preservation.

Please visit catalog.uark.edu for an extensive list of graduation and prerequisite requirements.
