geosciences.uark.edu

 ARCH 1003 Architecture Lecture**or** ARCH 1212 Design Thinking I: Foundations in Technology **and** ARCH 1222 Design Thinking II: Foundations in History**or**

Equivalent class in architecture history

 GEOS 4073 Urban Geography**or** LARC 3413 History of Landscape Architecture**or**

Equivalent class in urban studies

 ANTH 4443 Cultural Resource Management I **or** equivalent class in cultural resources GEOS 1133 Environment Geology **or** equivalent class in the human and physical aspects of earth GEOS 3023 Intro to Cartography **or** equivalent class in special representation and visualization GEOS 3033 Building Materials Field Studies and Laboratory is the required field and laboratory-based capstone course that will require two weekends (Saturday and Sunday) for completion. It is suggested that this class be taken last in the program series.

Note: One semester's participation in the University of Arkansas' Rome Program will substitute for six credits from class requirements in "Architectural History" and "Urban Studies" listed above. A supplemental program internship is suggested in addition to the classes required if the student's career path is in historic preservation.
