All music majors, with exceptions noted below, are required to enroll in MUEN 1411 Concert Choir during the first year of residence. Exceptions would include all students pursuing the Bachelor of Music (BM) degree for whom voice or piano is the major applied area.

To achieve junior standing in the curriculum leading to the Bachelor of Arts degree with a major in music and the Bachelor of Music degree, the student must have completed 56 hours and must have maintained a cumulative GPA of 2.0 in all music courses, with the exception of ensemble, by the end of the fourth semester. The student must also have earned a grade average of at least 3.0 in the major applied field of study during the sophomore year. This standing is a prerequisite to all courses numbered 3000 or higher in music.

Pursuant to enrolling in applied music courses, all music majors must audition for the music department faculty. Private study of the primary voice/instrument for music majors requires the successful completion of an audition for the instructor and consent of the Department of Music. Music majors are expected to own their own instruments. Some instruments are provided for student use only in certain circumstances and at the discretion of the music department.

Piano Proficiency Requirement: Students pursuing a Bachelor of Music degree must pass a piano proficiency exam upon entering the U of A or must register in piano classes until this requirement is met. Students with previous piano training may take a piano placement exam and be advised to omit one or more semesters of Class Piano (MUAC 1221, MUAC 1231, MUAC 2221). Students will receive college credit for the omitted piano courses if they validate their higher placement by passing an advanced piano course with a grade of "B" or better.

Based on prior study in music, students may be advised to omit one or more semesters of Aural Perception (MUTH 1621, MUTH 1631, MUTH 2621). Students will receive college credit for the omitted aural perception courses when they have validated their higher placement by passing the course in which they are placed with a grade of "B" or better.
