Degree Audit Request Form

For ARSC Dean's Office Use Only

- Individual Degree Audit Cleanup Request** *Note: to be used in situations where the UAConnect Degree Audit is unable to accurately enforce catalog requirements in specific situations. It provides a method of requesting that a specific student's audit be modified to more accurately reflect the degree requirements they have completed. Do not use this form to request substitutions or exceptions to catalog requirements. This form is mandatory for all requests involving state minimum core, university residency requirement, all ARSC college rules, and ARSC honors requirements. ARSC advisors are authorized to cleanup ARSC major/minor requirements without submitting this form as long their actions are thoroughly documented in UASuccess.*

Student Name and ID:

- Universal Degree Audit Reprogramming Request** *Note: to be used to suggest a more accurate way in which the UAConnect Degree Audit might enforce the requirements of a specific program/catalog. It should not be used for any matters related to a specific student.*
