Happy Finals Week, RMB!

Welcome to the first in a series of newsletters preparing us all for an exciting Fall 2021 season with the Razorback Marching Band! We have two very important items for you at this time.

SAVE THE DATE

First, please save the following dates:

- June 12th - Drumline Camp #1
- June 12th - Color Guard Camp (New Members and Section Leaders Only)
- July 10th - Color Guard Camp (Full Guard)
- July 13th-16th Twirler Camp (tentative)
- July 17th - Drumline Camp #2
- August 6th-8th - Leadership Camp

- August 13th-21st - Early Week

UNIFORM MEASUREMENTS

Second, since we never had the chance to get measurements on last year's incoming freshmen, and since we are managing a few changes in our inventory, it's become clear that we need to get new measurements for all returning and incoming Brass/Woodwind/Percussion RMB members.

To accurately fit you for a uniform, we need the following measurements:

- Weight
- Height
- Chest
- Waist
- Inseam
- Hat Size

Please choose one of the following options:

1) Get measured the week of May 3rd - May 7th

Our uniform managers (Fatima, Emily, and Sophia) will be holding appointments this week to get as many measurements done as they can. You can sign up for a time to stop by the uniform room in the basement of Epley [here](#).

2) Percussion get measured during summer camp

If you are a percussionist coming to the summer camps on June 12th and July 17th, we will have time built into the schedule to get your measurements then.

3) Incoming Freshmen doing on-campus orientation stop by Epley

If you are an incoming student attending an on-campus orientation in June, stop by Epley the day of your orientation to get measurements taken. Epley is the building labeled "BAND" on all [campus maps](#).

4) Visit a tailor to get your measurements.

If you cannot make one of these times or if you are an incoming student doing a virtual orientation, then visit a tailor to get your measurements taken. Once you have the above measurements, enter them [here](#).

Please get your measurements taken by July 31st.

That is all for now - be on the lookout for future newsletters this summer!

Have a great week!
