Frequently Asked Questions

How do I know if I was selected to sit in the stands with the band during the game?

We will be able to accommodate around 40-50 people (depending on instrumentation) who want to sit and play in the stands during the game with the band on a first come, first serve basis. We will remove the option from registration once we have reached capacity. In other words, if you select that you want to sit with the band, we anticipate being able to accommodate you.

Is there a limit to how many alumni can participate?

There is no limit to how many alumni can participate in the Pregame Performance on the field. We *are* limited, however, to the number of alumni who can play with the Razorback Marching Band in the stands during the game.

The registration in Step 1 lets me indicate that I want to play in the stands with the band during the game, but I can't see where to put that when I buy my tickets in Step 2.

Buy any ticket to the game. If you select to sit in the stands with the RMB during the game, however, then you'll simply ignore the seat location on your ticket and follow the band into the stands after Pregame. In short, if you are planning to sit with the RMB, then you should buy the cheapest ticket available.

Can I bring guests?

Yes, during registration in Step 1, you are able to buy up to four packages for an additional \$20 each. Your guests will also get the pregame meal and t-shirt. However, if your guest is also a member of the Razorback Alumni Band, do not register them as a guest, have them complete their own separate registration.

If I'm sitting in the stands with the Razorback Band during the game, can my family sit with me?

No. Space in the band set is extremely limited. If you need to be near your family during the game (e.g. young children), then you should not choose to play in the stands with the band.

What will the Pregame Performance involve?

The Razorback Alumni Band will perform the Alma Mater, Star Spangled Banner, William Tell Overture, and Fight Song.

I am only planning to play for the Pregame Performance and not in the stands with the band. What do I do with my instrument during the game?

Staff will take you to the Walker Indoor Pavilion after the Pregame Performance and you can case and store your instrument there during the game near the West entrance on Razorback Road. You will then retrieve

your instrument *after* the game is over. We cannot guarantee access to the Walker Indoor Pavilion during the game if you want to leave early.

I just want to come to the pregame meal beforehand and not perform. Is that okay?

Yes, absolutely. We usually have plenty of registrants who do not choose to participate in the on-field performance.

I need an instrument.

We have a limited inventory of instruments available we will supply on a first-come, first-served basis.

Where will I park?

Razorback Alumni Band participants can park at the East Baum Parking lot before riding the shuttle to the Walker Indoor Pavillion for rehearsal. More information about parking will be included on the itinerary once kickoff time is announced.

What time is kickoff?

We anticipate kickoff time being announced on Monday, October 9th.
