

LEGALIZING CORPORATE POLITICAL SPEECH:
How Citizens United Laid the Groundwork for Corporations' Right to Free Speech

Thursday, September 17
2:00-3:30 pm

ON ZOOM

Constitution Day

Join Professor Sebold as she discusses how *Citizens United* and *SpeechNow* radically expanded the rights of the wealthy and corporations to wield undue influence in our elections.

Dr. Karen Sebold,
Assistant Professor,
Department of Political Science

Her teaching and research interests include campaign finance laws, party nominations and politics, election administration, and women and politics.
